

Bonny brook Social Club Board Meeting Minutes

February 5, 2026

Members present were the following: President Paul Hudson, Hal Johnson, Suzanne Rydel, Vice President Ed Robinson, Loreen Spanos and Ken Schulz

Meeting was called to order by President Paul at 04:05 pm at the Hudson residence.

The first item on the agenda was the approval of the minutes of last board of directors' meeting (January 6, 2026). They were unanimously approved.

Treasures report - Mr. Arsenault was not available so no report was made.

Membership Update - Ms. Spanos reported that with the previous meeting the club has 158 paid members year to date with 4 new members.

Future events were discussed. Since Laurel Manor will be having renovations starting on May 4th, the current May 3rd member meeting will be held there with the Sunshine Chorus as entertainment. The June 7th meeting, which will be Bingo and Pizza party – Hal Johnson will bark the bingo event but given the renovations at Laurel Manor the meeting will be held at the Lake Miona Recreation Center in the Enterprise room.

The full 2026 calendar was reviewed with discussion about the 2026 Holly & Mistle toe event which will be held on Saturday December 5th with 3 rooms this year. After much discussion the Board concurred that catering should continue with Pasta Fare. Suzanne will check with Petrina for the 12/5 date to be the entertainment, as well as other entertainers.

The Board spent considerable time discussing membership, to include the potential for Village residents, that do not live in Bonnybrook, to become members. This would be in addition to Hal Johnson organizing the street reps for increasing the membership for the Club. President Hudson will draft language, given the input from the Board, for the Board to consider regarding Section 1 (Membership) of the By-laws of the Bonnybrook Social Club. Any changes would need to be approved at a monthly member meeting.

Meeting was adjourned at 05:02 PM

Respectfully Submitted

Paul Hudson

President
